GLOBAL ASSOCIATION OF THEOLOGICAL STUDIES

## Global Educator Summit

The first Global Educator Summit was an overwhelming success. Over 80 GE's came together at UPCI World Headquarters for a time of sharing, training, and learning. Topics that were covered included: What is GATS?, Preparations for Travel, Financing Travel, Teaching Tools, Adapting to Culture, Interaction with Students, Being Flexible, and working with Translators.

GATS has over 100 Global Educators ready to train Bible School teachers in nations around the world. Plan your next Faculty Development seminar by contacting your Regional or Sub-regional GATS Representative.

# GATS Faculty Development Seminars

Seminars to train Bible School teachers and staff are one of the strengths of the GATS Program. As your teachers continue to grow and develop the Bible School will be more productive. Every nation with a Bible School training program should participate in annual Faculty Development.
