

Bible School Graduation, 2011

Winter, 2011

The final week of October is always what is known as 'organized chaos', the final week of the Bible school year, end-of-the-year banquet and culminating with the Bible school graduation. This year 16 students completed their studies and entered into the revival field of Argentina.

We were blessed to have Rev. and Sis. Joe Bir, Asunción, Paraguay, as our guest speaker, and what a powerful, impacting message he delivered to the graduating class. During the prayer time with the graduates the power of the Holy Ghost fell in a beautiful way, to the point that the students did not want to quit praying and finish the service. Many comments were made that the graduation was the best they had ever attended. Please pray for these students as they enter the harvest field. And pray for the Apostolic Bible Institute of Argentina as we launch many new changes in the coming year.

A Special Thanks...

Meet Melisa Espinoza, the daughter of our Bible school dean. She 9 years old and stands about 4'9" tall. For some time we've felt the need to remodel her bedroom to give her space to stand up without hitting her head! A young girl of that age needs her privacy and space. A heart-felt thanks goes out to Pastor Joe Gutierrez and The Church On Fire of Fort

Wayne, IN, and Pastors T.L and Christopher Craft and The First Pentecostal Church of Jackson, MS for their generous help in this remodeling project. The materials have been purchased and construction will begin the first of the year.

And Finally...

It really seems hard to believe that we are fast approaching the end of 2011. Where has the time flown? And you, our Partners in Missions, are a large part of the great things that are taking place in Argentina. This is our last newsletter for 2011. And though it might be a little early, we want to wish all of you a most wonderful Thanksgiving time, a blessed Christmas season and an awesome year in 2012.

Thank you for your compassion and vision for revival.
